## Theorem

*A very important theorem.*

## Proof.

An easy proof.

## Block title

This is just a block of text

## Alert-block title

This is a block in alerted colors

## Example-block title

This block serves to give examples

# Frame without background image

Only infolines are visible.

And here we don't have infolines

# Pure white frame

There's nothing here.

Thank you for reading the whole document!  
Feel free to send me any suggestions, remarks, commentaries, requests,  
etc. at [timofey.zakrevskiy@polytechnique.edu](mailto:timofey.zakrevskiy@polytechnique.edu)

Cheers, TZ.
