Table of Contents

Basics

Basic functionality of beamer

Formulas

Transport equation

$$\partial_t f + \omega \cdot \nabla_x f = 0$$

Using enumerate

1. Lorem
2. Ipsum
   2.1 Ipsum-lorem
   2.2 Ipsum-ipsum

Using itemize

- Lorem
- Ipsum
    - Ipsum-lorem
    - Ipsum-ipsum

Theorems

Theorem

A very important theorem.

Proof.

An easy proof. $\square$

Blocks of text

Block title

This is just a block of text

Alert-block title

This is a block in alerted colors

Example-block title

This block serves to give examples

Frame without background image

Only infolines are visible.

Pure white frame

There's nothing here.
